APPLICATION FOR BUILDING PERMIT
INSTRUCTIONS

- a. This application must be completely filled in by typewriter or in printed ink and submitted in duplicate to the Building Inspector.
- b. **This application must be accompanied by two plot plan diagrams drawn to scale** locating clearly and distinctly all buildings and wetland (lakes, ponds, streams, swamps, marsh, etc), whether existing or proposed, and indicate all set-back dimensions from property lines. Give lot and block numbers or description according to deed, and show street names and indicate whether interior or corner lot.
- c. **This application must be accompanied by two complete sets of plans drawn to scale showing proposed construction and two complete sets of specifications.** Plans and specifications shall describe the nature of the work to be performed, the materials and equipment to be used and installed and details of structural, mechanical, electrical and plumbing installations.
- d. The work covered by this application may not be commenced before the issuance of Building Permit.
- e. Upon approval of this application, the Building Department will issue a Building Permit to the applicant together with approved duplicate set of plans and specifications. Such permit and approved plans and specifications shall be kept on the premises available for inspection by the Building Department.

APPLICATION IS HERBY MADE to the Building Department for the issuance of a Building Permit, pursuant to the New York State Uniform fire Prevention and Building Code for the Construction of Buildings, additions or alteration, or for removal or demolition, as herein described. The applicant agrees to comply with all applicable laws, ordinance and regulations.
