PRIVILEGE OF THE FLOOR- PUBLIC COMMENT

This is an opportunity for members of the public to raise concerns before the Board that are not on the agenda. As a courtesy to everyone who would like to address the Town Board, each person is asked to keep his or her comments from 3- 5 minutes. If more than one person wants to speak on the same subject, it is requested that a spokesperson be appointed. The public comment period will be a maximum of 30 minutes. Generally, the Board does not take action on matters raised during this time but will set the matter over to the next meeting if applicable. Agenda items should be in writing and sent to the Town Supervisor's Office by the Monday prior to the meeting
