**Re:** MONTHLY REPORT

**Date:** April 9-30, 2019

Was on vacation first week of April.

Total hours worked in April was 56. Most of the time was spent doing research and filing, including answering phone, email and walk in requests. I did attend the annual meeting of the Monroe Historical society on April 14<sup>th</sup>. I do attend a meeting at the Orange County Historical Society every Wednesday. I am the First Vice President of that society. Did have a visit from the Village of Monroe Treasurer doing research for the village. Jim Rogers has been assisting me with our photo collection.
